Our 611th meeting

May 14, 2010

President's Message

Dear GCC Members & Friends,

As you all know, I wasn't able to attend last month's meeting. I was in Idaho, checking out a company for possible employment. At the moment, there is still a 60% chance that this will happen, but most likely not until the last quarter of the year. I will act as a part-time consultant to the company, until their financial and stability are better and long-term reliable.

So, the GOOD news is that I'm still around. Well, for at least for a few more months.

From what I heard, celebrating National Coin Week at April's meeting was a success and lots of FUN. The ANA questionnaire was not trivial, and it took many good heads and smart brains to figure out the answers to the questions. WELL DONE to those who made the effort, found the answers and completed the questionnaire. I am sure that the answers were sent to the ANA, and hopefully, the club will win something nice at the drawing.

I saw that Jerry was handing out Coin Show applications to all the dealers on the bourse at the Verdugo Hills coin club show, and already 3 were returned. Well done!

Meeting Place: 2350 Honolulu Ave., Glendale (near Montrose) - Citibank building, Meeting room in the rear.

Date/Time: 2nd Friday of every month at 7:30 p.m.

Mailing address: Glendale Coin Club, P.O. Box 534, Castaic, CA 91310-0534

Please remember that Nick Rulli is the new Bourse Chair, so please refer any and all dealer inquiries to him. I am, as always, here to help him in any way I can!

I was also pleasantly informed that the 2 ½ Peso Mexican Gold coin to be replaced with 1/10 Oz. Gold Panda for the World of Gold Drawing.

Walt Ostromecki is kind enough to re-volunteer his time and effort to put on the Youth Auction again. It was amazing last year, and will be so again. PLEASE give your donations of anything and everything numismatic to Walt!!!

I hope to see you all on May 14th!!

Oded

May's Program

Our dear friend, ANA Governor
and GCC Member,

Dr. Walter Ostromecki

will be speaking on the topic of

"Dumb Coins"

We have no idea why any coin would be any dumber than the other, and what are "dumb" coins. We are sure that this will be a very interesting, and amusing presentation!!!
