Our 613th meeting

July 9, 2010

President's Message

Dear GCC Members & Friends,

I want to say a big THANK YOU to Oded Paz for all that he has done in the past 10 years for the GCC. There are so many ways he has helped that it is impossible to list them all. He will be sorely missed by the GCC since he was the hardest worker we had!! We wish he and the Sandy our very best as they venture into the wilds of Idaho for their new adventure!

I think everyone had a great time playing Coin-0 last month. I know everyone who won a Canadian Maple Leaf or an Australian Kookaburra (1 oz. silver bullion coins) was VERY happy!

In addition, we had a large number of members with Show and Tell & lots of great stuff was displayed and explained. A great big THANK YOU to each member who took the time to share with all of us. Also, thanks to all the members who put up all the lots for auction—it was fabulous! Keep bringing in the Show & Tell & Auction items.

See you on the 9th.
Mary

Remember that the Coin & Currency Show date is: **OCTOBER 17TH**. To have a successful show we will need the full support of each and every member! We will have a Board meeting next month before the regular meeting at Quizno's at 6:00pm so be there. We should have the Gold Drawing Tickets for each of you at the next meeting. The cost of making and printing up the tickets is being generously donated by Scott Mc Natt, President of the LA Paper Money Club and Promedia. We appreciate his generous support of the GCC! Thank you, Scott!!! **EACH MEMBER NEEDS TO SELL AS MANY GOLD TICKETS AS POSSIBLE.** Sales of these tickets help provide funds to spend more than \$100.00 each month for door prizes!!! ***Please invite friends to the next meeting so they can learn about our wonderful hobby.***
WE LOVE VISITORS!

JULY'S PROGRAM

Our very own Don Berry will be speaking on Elongated Coins.

I have been collecting coins for over 20 years but I have been collecting elongated coins for 5 years now, and have been a designer/roller for 3 of those. My son and I got started on a trip to Disneyland. And it has grown into an addiction, but one that the whole family has gotten into. We even plan trips around places that have machines. We go to museum, zoos, theme parks and just tons of fun places to visit.
