Our 614th meeting

August 13, 2010

President's Message

Dear GCC Members & Friends,
I really enjoyed Don Berry's program last month letting us know a lot about Elongated Coins. I loved having my cents and quarters squished in his machine.

This month is our WHITE ELEPHANT AUCTION which is always so fabulous and fun. Like I said gather up your "stuff" that you want to auction off. All proceeds will benefit the GCC to have higher quality door prizes and give our Holiday Party at the end of the year a little extra sparkle!!

Please be sure to bring Show and Tell since this is always an interesting part of the meeting where we get to know more about our fellow member and what they collect. We will NOT have a regular auction in August since we are doing the White Elephant Auction. Those of you who bring lots bring double in September.

We will NOT have a Board meeting before this month's meeting so I will not be there as I am attending a Family Reunion over the meeting weekend. We may have to meet at Quizno's at another time in August. I will let everyone know via e-mail.

Meeting Place: 2350 Honolulu Ave., Glendale (near Montrose) - Citibank building, Meeting room in the rear.

Date/Time: 2nd Friday of every month at 7:30 p.m.

**Mailing address: Glendale Coin Club,
P.O. Box 4947 Thousand Oaks, CA 91359-1947**

Remember that the Coin & Currency Show date is: OCTOBER 17TH. To have a successful show we will need the full support of each and every member! Each member should try to buy/sell \$50.00 of our Gold Drawing Tickets so we make enough money to pay for the gold prizes, to purchase great door prizes each month and to have enough money for our superb Holiday Party!

Please invite friends to the next meeting so they can learn about our wonderful hobby. WE LOVE VISITORS!

Have a great time on the 13th. Mary

Dear GCC Members & Friends,

June was a very emotional month for me. Between selling our beloved house, packing everything, selling most of my precious Oriental furniture & trinkets collection and actually moving out to Idaho, I managed to squeeze in a few coin club meetings, where farewells were very tough for me.

I greatly appreciate Mary's kind words at the club, as well as her President's column in last month's newsletter. Nevertheless, I feel that the Glendale Coin Club gave me much more than I could ever give back.

First and foremost, the GCC gave me a home, where I felt I belong, and gave me the basis to further pursue my numismatic endeavors. When I joined the club, I was a numismatic beginner. I knew very little about coins, and I knew I had lots to learn, which I did. Whenever I went out to a numismatic adventure, whether it was a coin show, the ANA Summer conventions or just another coin club, I knew I always had a home to come back to, and that was the Glendale Coin Club.

I truly appreciate the wonderful certificate the club gave me. It made me very emotional, as you can tell from the attached photo. Oh well. It's hard to leave a great and loving family.

I was also honored to hear that you will prepare and send me the new Glendale Coin Club elongated set on my 1963 birth-year coins. This is, most probably, the only time I really wished I was born in 1909...

It will probably not come to you as a surprise, but I'm already a member of the Eagle Rock Numismatic Society (which is practically the Idaho Falls Coin Club). It's 66 miles from Arco, and only an hour drive, so it's not much farther than driving to the GCC for me.

It's a nice club, with 40 or so participating members. I assume you won't be shocked to hear that I won the July membership drawing (1889-O Morgan) as well as 4 of the 10 door prizes (1901 Morgan, 1944 Peace, 2010 Silver Eagle and Buffalo Silver round) - not bad for a \$10 raffle ticket purchase, huh? I was a bit embarrassed, at first, but it soon passed when I realized this is only beginners' luck, and seeing my loot...

I talked to Don, and he said he may want me to do a presentation to the club in a few months. We can do it via Skype, while I'm still here, in Idaho. He needs to check if there's good internet reception in the basement, and whether he could connect his laptop to Greg Burns' computer projector.

Wouldn't that be an interesting and wonderful thing?

And you thought you would get rid of me...
Not so fast..

Be well, my dear friends, and happy coin hunting!
