Our 614th meeting

September 10, 2010

## *President's Message*

Dear GCC Members & Friends,

I am glad that everyone enjoyed the annual WHITE ELEPHANT AUCTION last month. I am sorry I was not there. A big THANK YOU to everyone for the gift of the matching hatboxes. I have used them already. By the way, the family reunion was absolutely wonderful!

Well, the Golden State Coin Show was over the last weekend in August and it was a good show. The NASC (Numismatic Association of Southern California) sponsored a Boy Scouts merit badge clinic on Coin Collecting - it was attended by nearly 90 Scouts from Ventura County to San Bernardino County!!! I spoke to a Scout leader from La Crescenta and invited him to bring his entire troop to our meeting this month. So be on the lookout for new faces and show them that the GCC is truly "The Friendly Club".

Don Berry purchased some fabulous door prizes for the next several months & COIN-O at our Annual Holiday Party in December. Wait until you feast your eyes on these prizes:

This month we will continue with our Show & Tell and the regular auction. Please bring items to auction and to share & enlighten us.

**Don't forget that our Coin & Currency Show date is: OCTOBER 17TH. One of the ways we provide wonderful door prizes is due to profits from the show and sales of our Gold Drawing Tickets. So, SELL...SELL...SELL those tickets.!**

## SEPTEMBER'S PROGRAM

Brad Yonaka will be talking about his book "The Mysterious World of Barber Dime Varieties: RPM's, RPD's, and MPD's".

Being a coin collector for 30 years, Brad began the hobby by collecting contemporary world coinage and 20th century US coins.

Brad says about himself: "I am a member of the ANA, CSNA, BCCS (Barber Coin Collectors Society), and two coin clubs in Southern California. I currently specialize in Spanish Colonial 'pillar' type fractional coinage, but I also am an avid collector of US cent and dime varieties, 19th century Latin American coinage, Ottoman Egyptian coinage, and the various 'trade dollars' that were used in the 1800's for trade with China.
