Our 718th Meeting

April 12, 2019

## Message From Our President...

Thank you again to all of you who were able to make it to last month's meeting where we celebrated the **60th anniversary of our club!** It was great to see so many in attendance, especially those of you who do not attend all of our regular meetings.

I wanted to also thank all of the Glendale Coin Club members who attended and supported the Verdugo Hills Coin Club Coin Show in Van Nuys. Their show was a success and the support given by our club was important. Our continued support of their March show will also help to make our October 27, 2019 Glendale Coin Club Show in the same location a success as well.

This month's meeting will certainly be another great one so I hope you all can attend. The **2020 Red Books** have come in and will be available at the meeting for \$10 each. We also have a great program planned for the meeting on Fractional Currency. Remember also that **National Coin Week** is coming soon (**April 21-27**) so you can start celebrating early by attending our meeting on Friday. Please feel free to bring any guests as well!

We will have show & tell, raffle and auction at the meeting as well so please bring some interesting items to share and to sell.

See you all on Friday,  
Mike

**April's Program...**

**Fractional Currency  
By: Gregg Bercovitz**

This month's program will be a presented by Gregg Bercovitz on Fractional Currency. United States coins were hoarded by many during the Civil War leading to shortage of just about all denominations of coins in circulation. In response to the coin shortage, the United States issued fractional currency notes from 1862 to 1876. Be sure to be present for this presentation to learn all about this interesting area of collecting.

Remember, it is always great when we have programs set up by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year so that we can continue to have great presentations at our meetings! Thank you in advance!
