Our 653rd Meeting

January 10, 2014

Message From Our President...

Thank you to everyone who made last month's Christmas/End of the Year Party a great success! The food was excellent and the Bingo was fun, especially for the Bingo winners (Dennis Berry, Chuck Murachanian, Tammy Berry, Glenn Holsonbake and Michael Kittle)!

I hope you all agree that 2013 was a great year for the Glendale Coin Club and I think 2014 can be even better! We already have a few interesting programs planned for this coming year, but I know our V.P., Jay Robinson, is still looking for a few club members to step up and present a program of their own. Please do not be shy and let us know if you have a program that you are willing to present to us all.

As you may have noticed, there is a different look to this month's newsletter. We hope that you like the new look. Also, please note the awesome new club logo that we recently had made for the club. We are excited to announce that we are having medals made for the club this year that will feature that image. See page 5 of the newsletter and come to the meeting for more information about our medals.

Finally, we will be having Show & Tell and an Auction at the meeting so please bring some interesting items to share and to sell!

See you all at the meeting,
Mike

January's Program...

**Behind the Scenes
at the Grading Companies**

Most coin collectors will agree that the top two professional coin certification and grading companies in the market today are the Professional Coin Grading Service (PCGS) and the Numismatic Guaranty Corporation (NGC). But most coin collectors do not know exactly how each company does their job. We will be showing two short videos that will reveal the inner workings of each company and will give you a behind the scenes look at how your high-end coins are certified as genuine and how they are assigned a numerical grade. Additionally, Jay Robinson will be giving us a brief overview of the different styles of plastic holders each company has used over the years. Should be an informative program for all levels of collectors.

GCC 55th Anniversary Medals!!!

As you may know, this March will be the 55th Anniversary of the Glendale Coin Club. To celebrate that occasion, we are having a special commemorative medal struck. The medal will be produced by Daniel Carr, the designer of the New York and Rhode Island state quarters. Medals will be struck in copper, silver and gold. We will be ordering the medals at the time of our February meeting and will have them delivered by our March anniversary meeting. Prices of the medals have not yet been finalized. The obverse features the reverse design of the 1925 California Diamond Jubilee Half Dollar surrounded by the name of our club and can be seen on page one. The reverse recreates the 55/55 from the 1955 Doubled Die Obverse Lincoln Cent and features the 1959-2014 dual
