Our 715th Meeting

January 11, 2019

Message From Our President...

I hope that everyone had a really wonderful Holiday and a Happy New Year's! Thank you again to all of you who attended our December Christmas Party and for helping make the evening a great success! It was another great time for all and there were lots of terrific prizes given out. I know that most everyone had a great time with the Bingo games and the special end of the year raffle was amazing too, especially for those who won coins and cash! **See Pages 4 & 5** for all of the prize winners!

Even though our annual coin show was a little less profitable this year when compared to other recent years, I think the Glendale Coin Club had a fantastic 2018

and I am certain that 2019 can be even better! There are many great coin shows and other coin related events for you to look forward to this year including our coin show in October. This year is the club's 60th Anniversary so we hope to have another medal made up this year too. Please let us know if you have any design ideas. Remember that this club belongs to us all, so any help you provide to the club will make it that much better!

Finally, we will be having Show & Tell, Raffle and an Auction at the meeting so please bring some interesting items to share and to sell!

See you all on Friday,
Mike

January's Program...

Collecting Short Sets
By: Albertus Hoogeveen

This month's program will be presented by Albertus Hoogeveen, who you all know is an active member of our club as well as other area clubs too. Albertus will be presenting a program on collecting short sets. Most collectors quickly learn that there are many ways to collect coins and Albertus will discuss some ideas that may work for you and your collecting goals. Please come out to the meeting and enjoy this program.

Remember, it is always great when we have programs set up by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year so that we can continue to have great presentations at our meetings! Thank you in advance!
