Our 720th Meeting

June 14, 2019

## Message From Our President...

Thank you to everyone who made it out to our last meeting in May. We had excellent attendance and a really good program as well. Also, I believe we set a **record** for the most collected in the **50-50 raffle** with a total of \$85. Half of that went to the lucky winner (see **Page 4**) and the other half was retained by the club. Remember that participation in the 50-50 raffle is totally optional, but the funds collected for the club do help with the cost of refreshments and other club expenses.

We still have a few of the 2020 Red Books available for purchase from our club. We have the spiral bound copies available for only \$10 each. The much larger Mega Red deluxe edition of the

2020 Red Book is also available at for \$35 each. See **Page 5** for more information.

The Glendale Coin Club is also working on having a 60th Anniversary club medal made. We are again having Daniel Carr of the Moonlight Mint help us and we are confident he will come up with another amazing piece. More details to come soon.

We will also have Show & Tell, an exciting Raffle (see **Page 3**) and our regular Auction too. Hope too see lots of you at the meeting this month. Join us for some coin fun and lots of yummy refreshments too!

See you all on Friday,  
Mike

**June's Program...**

**Coin Scales and Counterfeit Detection  
By: Mark Baskin**

This month's program will be presented by Mark Baskin on Coin Scales and Counterfeit Detection. Various types of coin scales and similar devices have been used for many years to help with the detection of counterfeit coins. This is particularly true with respect to gold coinage. Quick and accurate devices to ensure that coins were genuine and full weight were a business necessity and greatly facilitated commerce.

Remember, it is always great when we have programs set up by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year so that we can continue to have great presentations at our meetings! Thank you in advance!

## 2020 Red Books...

The 2020 Guide Book of United States Coins ("Red Books") are now available. We have ordered them in bulk at discounted prices. If you would like to order your copy of a new 2019 Red Book, we have them in the Spiral Bound edition for **only \$10 each** while supplies last! Please note, the suggested retail price of the Spiral Bound Red Book is \$15.95. We also ordered a few copies of the 1500+ page Deluxe Edition, aka the Mega Red Book, which features a 300 page expanded section on Quarters. Those are available for **\$35 each** (retail price \$49.95).

**Purchase your copy** or copies at the next meeting if you have not done so already!

## 2019 GCC Medals...

The Glendale Coin Club has once again commissioned Daniel Carr of the Moonlight Mint to produce a medal for our club. This year's design is currently being finalized and we plan to start taking preorders soon. We plan to strike medals in copper, silver and gold and all medals will be sold exclusively on a preorder basis.

This year's medal will celebrate the 60th Anniversary of the Glendale Coin Club which was started in 1959. Given the time and expense involved in connection with the medals, for both us and for Daniel Carr, this year will likely be the last year that the club will produce a medal like this at least until our next big anniversary date.

## 2019 Annual Dues...

### Annual membership dues are due!

Please note that annual membership dues for the club for 2019 are now due. If you have not already done so, please make sure to pay your dues at the next meeting you attend. Current dues are as follows:
