March's Program...

**Colonial American
Conder Tokens
By: John Duff**

This month's program will be a video presentation presented by John Duff on Colonial American Conder Tokens. Conder tokens are privately minted tokens that circulated in the late 18th and early 19th Century. Several of them were made with the intention to circulate in the American Colonies and in the early United States. Please come out to the meeting and enjoy this program.

Remember, it is always great when we have programs set up by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year so that we can continue to have great presentations at our meetings! Thank you in advance!
