March's Program...

**20 Things To Do When You
Don't Have Money To Buy Coins
By: David Schwager**

This month's program will be presented by David Schwager who has presented amazing programs to our club in the past. We have all been in there before where we are low on funds and need to pump the breaks on our coin buying. What do we do then? David will give us a few ideas!!! Please come out to the meeting and enjoy this program.

Remember, it is always great when we have programs set up by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year so that we can continue to have great presentations at our meetings! Thank you in advance!
